Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner has found art on claims 5 and 15 which were previously indicated as allowable by the examiner in the first office action. Claims 5 and 15 had been cancelled by the applicant and rewritten in independent form with all other limitations in the amendment filed by the applicant after the first office action. Therefore, the examiner will be issuing a second action, non-final rejection. Claims 4 and 14 were still found to be allowable over the prior art of record.
